Julia Frackiewicz

Graphic Designer

Spangsbjerg Kirkevej
106 5.2, 6700 Esbjerg

Profile

Self-driven to become graphic designer or marketing specialist. At university I develop my knowledge about user experience, preparing print/digital assets, programming and photo/video making. I would like to gain real experience and knowledge allowing me to dive into working environment faster.

Experience

September 2019
– March 2023
Jan Zamoyski High School No.
XVIII

Marketing Assistant, Volunteer

As a part of marketing group for school art festival, my responsibilities were: preparing social media content, taking part in campaigns and photo sessions, helping with festival's attractions like cafe or merch store.

September 2021
– Present
Self-employment

Tutor

I am giving lessons to high school students in order to help them in understanding maths and passing their final exams. I am preparing practical lessons to develop my students' skills, making notes with theory and answering their concerns after classes.
